For the Agenda of: November 8, 2021
Agenda Item Number: 1

To: Sacramento Countywide Oversight Board

From: County of Sacramento Successor Agency

Subject: Final Disposition of Forgivable Loan at McClellan Park for the Renovation of Buildings 250 and 269

Report Type: Receive and File

Contact: Wendy Hartman, Sacramento County Successor Agency Administrator
(916) 875-0527

Overview

The County of Sacramento, in the role as the Successor Agency to the Redevelopment Agency of the County of Sacramento, is responsible for the winding down of the obligations of the dissolved Redevelopment Agency of the County of Sacramento. One of these obligations is the administration of Agency loans.

Background

On June 21, 2011, the Redevelopment Agency of the County of Sacramento approved a \$1,000,000 forgivable loan to McClellan Business Park, LLC to rehabilitate eight warehouse bays in portions of Buildings 250 and 269 at McClellan Business Park (Building 250 Bays F, I, J and Building 269 Bays B, C, D, E and F). A Forgivable Loan Agreement (ATT 1), Owner Participation Agreement (ATT 2) and other related agreements between the Redevelopment Agency and McClellan Business Park set the terms of the loan. Simple interest was set at 4% annually with payment of both principal and interest deferred until loan maturity ten years from completion of the rehabilitation work on December 31, 2012. Thus, the loan maturity date is December 31, 2022.

The Successor Agency has monitored leasing status periodically over the term of the loan, has reviewed all past and current leases, and conducted a site investigation in August 2021 in order to verify site conditions.

Discussion

The loan is forgivable on an annual basis based on the amount of rehabilitated and leased space in a year divided by 80 percent of the total space rehabilitated under the loan.

McClellan Business Park has met their benchmarks and have requested to close out the loan one year early with the understanding that no forgiveness will be credited for the following year. Attachment 3 provides calculations of loan forgiveness as well as the leasing square footages over time.

Based on the calculations, McClellan Business Park qualifies for forgiveness of \$999,906.08 in principal and forgiveness of \$198,076.74 in interest. The remaining principal balance is \$93.92 and the interest owed is \$37.57 for a total due of \$131.49.

Recommendation

The Successor Agency is providing this staff report to the Countywide Oversight Board as a "receive and file" item in order to provide transparency and a public opportunity for comment regarding the Successor Agency's intention to forgive \$999,906.08 of loan principal and \$198,076.74 of interest in accordance with the terms of the Forgivable Loan Agreement. Pending no substantial and contrary comments by Board members or the public at the Countywide Oversight Board Meeting, the Successor Agency will begin the internal administrative process of confirming the final loan payment of \$131.49 and re-conveying the deed of trust to McClellan Business Park.

7.3. BORROWER AS RELOCATION AGENT. With the approval of Lender, Borrower may act as Lender's agent in accomplishing such relocation. Lender and Borrower by memorandum in writing shall establish their respective duties related to such relocation. If Lender and Borrower agree that Borrower will act as Lender's agent for purposes of this Loan, Borrower may enter into agreements for the provision of relocation services, or Borrower may perform such services directly. Borrower shall, by provisions in its agreements or by direction to its staff, assure that the entity performing the relocation services: (a) shall comply with all applicable law; (b) shall fully inform Lender of all relocation activities; (c) shall make all requests for direction or clarification to Lender; and (d) shall respond to and follow the Lender's instruction and direction.

8. CONSTRUCTION. As a condition of the Loan, Borrower will diligently proceed with construction in accordance with the Scope of Development as approved by Lender. Borrower shall complete such work on or before the Completion Date, subject to Unavoidable Delay.

8.1. CHANGES. In order to assure sufficient funding for the Project, Borrower shall not authorize any Change without the prior written consent of Lender. If in the judgment of Lender, a Change, together with all other Changes contemplated or previously approved by Lender, will cause an increase in the cost of the Project in excess of the contingency reserve identified in the Budget, then Borrower will, as a condition precedent to Lender's consent, provide Lender with proof that the contingency reserve has been increased as necessary to pay for all such Changes. Borrower will submit any such Change to Lender for approval on a form acceptable to Lender, together with approvals by the Project Architect, if any, and the General Contractor. Borrower shall maintain funds available in the contingency reserve that are in substantially the same percentage of the original contingency reserve as the percentage of the Project then remaining to be completed.

8.2. CONTRACTORS AND CONTRACTS. Upon Lender's request, Borrower will furnish to Lender correct lists of all contractors, subcontractors and material suppliers employed in connection with the Project, specifying their addresses, their respective portion of the Project and their respective Project cost. Lender may contact directly each contractor, subcontractor, and material supplier to verify the facts disclosed by the list or for any other purpose related to the Loan. All contracts let by Borrower or its contractors relating to the Project will require them to disclose to Lender information sufficient to make such verification.

8.3. NO DISCRIMINATION DURING CONSTRUCTION. Borrower for itself, the general contractor and their respective successors and assigns, agrees that the following provisions shall apply to, and be contained in all contracts and sub-contracts for the construction of the Project.

8.3.1. EMPLOYMENT. Borrower shall not discriminate against any employee or applicant for employment because of sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation. Borrower will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation. Such action shall include, but not limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Borrower agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Agency setting forth the provisions of this nondiscrimination clause.

8.3.2. ADVERTISING. Borrower will, in all solicitations or advertisements for employees placed by or on behalf of the Borrower, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, creed, sex, marital status, national origin, ancestry, familial status, or disability.

8.3.3. MONITORING PROVISIONS. Borrower, Contractor and subcontractors shall comply with the requirements of the Agency for monitoring the anti-discrimination and all applicable labor requirements.

8.4. **INSPECTION.** Lender may, at any time and without notice to Borrower, enter on the Property and inspect the Project; and, during regular business hours, examine the books, records, accounting data, plans, shop drawings, specifications, and other documents of Borrower pertaining to the Project and to make extracts or copies. Borrower shall make all such documents available to Lender promptly on demand. Borrower agrees to cooperate fully (and to cause the General Contractor to cooperate fully) with the Lender and its Lender's designated agent and to permit all appropriate access to the Property and to all relevant books and records. Borrower shall bear the cost of reasonable inspections, except that Lender shall bear its costs of inspection. If however, Lender's inspection discovers issues of a nature that require further third-party review or investigation, Borrower shall bear the costs of such third party review.

8.5. **PROTECTION AGAINST LIEN CLAIMS.** Borrower shall promptly and fully discharge all claims for labor, materials and services in connection with the Project. Borrower shall promptly file a valid Notice of Completion on completion of the Project. Borrower shall promptly file a Notice of Cessation in the event of a cessation of labor on the Project for a continuous period of (30) days or more. Borrower shall take all other reasonable steps to protect against the assertion of lien claims against the Property. Within ten (10) days after the filing of any claim of lien against the Property, Borrower shall record a surety bond in the office of the Recorder of the County where the Property is located in an amount sufficient to release the claim of lien or deliver to Lender any other assurance as may be acceptable to Lender as evidenced by Lender's written acceptance of such assurance.

8.5.1. Lender, at any time, may require Borrower to obtain a lien waiver with respect to each payment to the General Contractor and each payment by the General Contractor or Borrower to each of the various subcontractors and material suppliers. Lender, at any time, may require Borrower to make any payments for the Project by joint check made payable to the General Contractor and subcontractor for whose account the payment is to be made, as joint payees.

8.5.2. In any event, Borrower is not required to pay, prior to adjudication, any claims for labor, materials, or services that Borrower, in good faith, reasonably disputes, and that Borrower, at its own expense, is currently and diligently contesting in the proper forum, provided that Borrower has filed the surety bond or given Lender such other assurance as Lender accepts in writing.

8.6. **SECURITY INSTRUMENTS.** Upon request by Lender and subject to the security interests of lender whose loan is secured by the Property and senior to Lender's security interest in the Property, Borrower shall execute and deliver to Lender a security instrument in favor of Lender naming as secured property all contracts related to the Project and all other property of any kind owned by Borrower and used primarily in connection with the Property. Lender may require such instrument at any time, and from time to time may require additions of new contracts and other property. Borrower irrevocably assigns to Lender, effective upon Lender's written demand, as security for the due performance of this Loan Agreement all of its right, title, and interest in the Assigned Documents.

8.7. **NO PRIOR LIENS.** Borrower shall not allow the Project construction to begin or materials to be delivered to the Project until after Close of Escrow.

8.8. **PREVAILING WAGES.** Lender advises Borrower that the Project is subject to the payment of prevailing wages under California law. Borrower shall inform the General Contractor and shall require the General Contractor to inform all subcontractors and materialmen furnishing goods or services to the Project of Lender's determination of the applicability of California prevailing wage requirements. Borrower and General Contractor have had the opportunity to meet with their respective legal counsel and to request a determination of the matter before the California Department of Industrial Relations and any other appropriate governmental bodies. Borrower and General Contractor have made their own independent determinations of the applicability of prevailing wage laws and have independently implemented such determinations. Borrower indemnifies, holds harmless and defends the Lender from all additional wages, benefits, fees, penalties, fines, legal fees, court costs, arbitration costs, and other costs arising from the improper application of California prevailing wage laws to the Project by Borrower or General Contractor or both of them.

9. **LOAN DISBURSEMENT PROCEDURES.**

9.1 **CONDITIONS PRECEDENT TO EACH LOAN DISBURSEMENT.** The obligation of Lender to make any disbursements under this Loan Agreement shall be subject to the conditions precedent, below. The amount of the loan draws shall be on a percentage completion basis, and shall be subject to a ten (10) percent retention in conjunction with each draw. In no event shall Lender's obligation exceed the Loan Amount.

9.1.1. No Event of Default or Potential Default of Borrower has occurred and is continuing.

9.1.2. If requested by Lender, Borrower has furnished to Lender, as a Project cost, an endorsement to the Title Policy showing no intervening liens or encumbrances on the Property and insuring the full disbursement, together with a satisfactory report under the California Uniform Commercial Code showing no liens or interests other than those of Lender.

9.1.3. Lender is satisfied that all completed work has been done using sound, new materials and fixtures, in a good and proper manner, and all materials, fixtures, and furnishings installed on or acquired for the Property will be owned by Borrower free of any liens, encumbrance, or other interests of any kind other than Lender's lien or security interest.

9.1.4. The representations and warranties in the Loan Documents are correct as of the date of the requested disbursement.

9.1.5. Borrower has paid Lender all commitment, loan, and other fees then due, and Borrower has submitted to Lender all documents, records, statements, certificates, reports, and other materials and information then required to be submitted to Lender for approval under this Loan Agreement.

9.1.6. Borrower has delivered to Lender all funds, documents, instruments, policies, evidence of satisfaction of conditions, and other materials then due or otherwise requested by Lender under the Loan Documents.

9.2. CONDITIONS PRECEDENT TO FIRST DISBURSEMENT. Borrower's request for the first Loan disbursement is a representation and warranty by Borrower that there has been no material adverse change in Borrower's financial capacity or in any representation made to Lender in Borrower's application for the Loan or Borrower's supporting documentation. Lender shall make the first loan disbursement under this Loan Agreement when the following conditions precedent and the conditions precedent stated in Section 9.1 have been met:

9.2.1. There is no legal action threatened or pending against Borrower or affecting the Property or any Additional Collateral.

9.2.2. All conditions to Close of Escrow have been satisfied in accordance with the Loan Agreement.

9.2.3. Borrower has provided proof of all insurance required by the Loan Documents.

9.2.4. Borrower has filed all tax returns required to be filed and paid all taxes due, which, if unfiled or unpaid, might adversely affect Lender's security under the Security Documents.

9.3.1. As applicable, the Project Architect and the Lender's designated agent will have certified to Lender, on AIA Form G704 and in a manner satisfactory to Lender:

- a. That the Project has been duly completed in a good and proper manner using sound, new materials;
- b. That the Project complies with the Plans and Specifications, the requirements of all Governmental Authorities and any other party having enforceable rights regarding the construction of the Project; and
- c. That the Project is structurally sound.

9.3.2. Borrower has provided to Lender a true, accurate and complete copy of the final draw request to all other lenders for the Project.

9.3.3. Borrower has filed all tax returns required to be filed and paid all taxes due, which, if unfiled or unpaid, might adversely affect Lender's security under the Security Documents.

9.3.4. Title policy endorsements in form and amount satisfactory to Lender (including an endorsement insuring lien-free completion of the Project) have been furnished to Lender.

9.3.5. Borrower has furnished evidence, in form and substance satisfactory to Lender, that:

- a. The General Contractor and subcontractors and material suppliers and their subcontractors and material suppliers have been paid in full;

9.3.6. Borrower has filed a notice of completion of the Project (to the extent funded by the Loan) necessary to establish the commencement of the shortest statutory period for filing of mechanics' and materialmen's liens.

9.3.7. Borrower has submitted to Lender a final cost certification prepared by an officer of Borrower.

9.4. **MAKING DISBURSEMENT.** Lender shall pay each disbursement request within twenty (20) business days after the disbursement request is submitted to Lender, subject to fulfillment of the conditions precedent as stated in Section 9.1. Lender shall disburse the actual cost of the work represented in the disbursement request by Borrower, reduced by the cost of work included in the request and not satisfactorily completed and by the amount of the Retention to be withheld.

9.5. **COMPLIANCE.** To the best of Borrower's knowledge, the construction, use, and occupancy of the Property and Project comply in full with, all Governmental Requirements. All approvals, licenses, permits, certifications, filings, and other actions normally accepted as proof of compliance with all Governmental requirements by prudent lending institutions that make investments secured by real property in the general area of the Property, to the extent available as of the date of this Loan Agreement, have been given or taken, or Borrower is entitled to have them given or taken as the ministerial act of the applicable Governmental Authority.

10. **DEFAULT.**

10.1. **EVENTS OF DEFAULT.** At the option of Lender, each of the following events will constitute an Event of Default, subject to applicable cure rights, if any:

10.1.1. The occurrence of an Event of Default under the Trust Deed.

10.1.2. Subject to Borrower's legal rights to contest a governmental requirement, Borrower's failure to comply with any governmental requirements, unless within ten (10) days after notice of such failure by Lender or the respective governmental entity or after any action has been commenced to enforce such requirement, Borrower has cured such failure.

10.1.3. Borrower's failure to keep in full force any permit, license, consent, or approval with respect to the construction of the Project, unless within ten (10) days after notice by the issuing entity or Lender of such failure, Borrower has promptly cured such failure.

10.1.4. Any material deviation from the Plans and Specifications in the construction of the Project, or the appearance or use of defective workmanship or materials in the construction of the Project, if Borrower fails to remedy them or to diligently proceed to remedy them to Lender's satisfaction within ten (10) days after Lender's written demand to do so.

10.1.5. Borrower's failure to complete the construction of the Project by the Completion Date.

10.1.6. The filing of any lien against the Property or Project or the service on Lender of any bonded stop notice related to the Loan, if the claim of lien or bonded stop notice continues for thirty (30) days without discharge, satisfaction, or the making of provision for payment (including bonding) to the satisfaction of Lender.

10.1.7. The attachment, levy, execution, or other judicial seizure of any portion of the Property or Project, or any substantial portion of the other assets of Borrower, that is not released, expunged, bonded, discharged, or dismissed within thirty (30) days after the attachment, levy, execution, or seizure.

10.1.8. Making of any unauthorized payment from Loan Proceeds or other funds of Lender.

11. REMEDIES.

11.1. **OPTION TO ACT.** On the occurrence of any Event of Default, in addition to its other rights in this Loan Agreement or in any of the other Loan Documents, at law, or in equity, Lender may, without prior demand, exercise any one or more of the following rights and remedies:

11.1.1. Terminate its obligation to make disbursements.

11.1.2. Declare the Note and all other sums owing to Lender with respect to the other Loan Documents immediately due.

11.1.3. Make any disbursements after the happening of any one or more of the Events of Default, without waiving its right to demand payment of the Note and all other sums owing to Lender with respect to the other Loan Documents or any other rights or remedies and without liability to make any other or further disbursements, regardless of Lender's previous exercise of any rights and remedies.

11.1.4. Proceed as authorized at law or in equity with respect to the Event of Default, and in connection with that, remain entitled to exercise all other rights and remedies described in this Loan Agreement or the Trust Deed.

11.1.5. Recover its funds expended in exercising or enforcing any of its rights or remedies under any of the Loan Documents, together with interest at the maximum amount allowed by law from the date the funds were spent until repaid which amounts will be deemed secured by the Trust Deed.

11.2. **RIGHTS CUMULATIVE, NO WAIVER.** All of Lender's rights and remedies provided in this Loan Agreement or in any of the other Loan Documents are cumulative and may be exercised by Lender at any time. Lender's exercise of any right or remedy will not constitute a cure of any Event of Default unless all sums then due to Lender under the Loan Documents are repaid and Borrower has cured all other Events of Default. No waiver will be implied from Lender's failure to take, or delay in taking, any action concerning any Event of Default or from any previous waiver of any similar or unrelated Event of Default. Any waiver under any of the Loan Documents must be in writing and will be limited to its specific terms.

11.3. **DISCLAIMER.** Whether Lender elects to employ any of the remedies available to it in connection with an Event of Default, Lender will not be liable to construct, complete, or protect the Project; to pay any expense in connection with the exercise of any remedy; or to perform any other obligation of Borrower.

11.4. **GRANT OF POWER.** Subject to the rights of lenders whose loans are secured by the Property and senior to the rights of Lender, Borrower irrevocably appoints Lender as its attorney-in-fact, with full power and authority, including the power of substitution, exercisable on the occurrence of an Event of Default, to act for Borrower in its name, place, and stead as provided in this Loan Agreement, to take possession of the Property and Project, remove all employees, contractors, and agents of Borrower, to complete or attempt to complete the work of construction, and to market, sell, or lease the Property and Project; to make any additions, changes, and corrections in the Plans as may be necessary or desirable, in Lender's sole discretion, or as it deems proper to complete the Project; to employ any contractors, subcontractors, suppliers, architects, inspectors, consultants, property managers, and other agents that Lender, in its sole discretion, deems proper for the completion of the Project, for the protection or clearance of title to the Property or Personalty, or for the protection of Lender's interests, to employ security guards to protect the Property and Project from injury or damage; to pay, settle, or compromise all bills and claims then existing or later arising against Borrower that Lender, in its sole discretion, deems proper for the completion of the Project, for the protection or clearance of title to the

Property, or for the protection of Lender's interests; to prosecute and defend all actions and proceedings in connection with the Property or Project; and to execute, acknowledge, and deliver all other instruments and documents in the name of Borrower that are necessary or desirable, to exercise Borrower's rights under all contracts concerning the Property or Project, and to do all other acts with respect to the Property or Project that Borrower might do on its own behalf, in each case as Lender in its reasonable discretion deems proper.

12. LIABILITY INSURANCE. With regard to this Loan Agreement, the Borrower shall obtain and maintain for the life of the Regulatory Agreements, and require the General Contractor and subcontractors for the Project to obtain and maintain for the term of the development of the Project, such insurance as will protect them, respectively, from the following claims which may result from the operations of the Borrower, General Contractor, subcontractor or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable: (a) claims under workers' compensation benefit acts; (b) claims for damages because of bodily injury, occupational sickness or disease, or death of his employees; (c) claims for damages because of bodily injury, sickness or disease, or death of any person other than his employees; (d) claims for damages insured by usual personal injury liability coverage which are sustained (1) by any person as a result of an offense directly or indirectly related to the employment of such person by the Borrower, or (2) by any other person; claims for damages, other than to the construction itself, because of injury to or destruction of tangible property, including resulting loss of use; (e) claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance or use of any motor vehicle; and (f) claims for contractual liability arising from the Borrower's obligations under this Loan Agreement.

12.1. LIABILITY INSURANCE POLICY LIMITS. Borrower shall obtain all insurance under this Section 12 written with a deductible of not more than ONE HUNDRED THOUSAND DOLLARS (\$100,000) or an amount approved by Lender, and for limits of liability which shall not be less than the following:

12.2. WORKER'S COMPENSATION. Borrower shall obtain and maintain worker's compensation coverage shall be written for the statutory limits as required by Article 1 (commencing with Section 3700) of Chapter 4 of Part 1 of Division 4 of the California Labor Code (as it may, from time to time, be amended) and having an employer's liability of not less than \$1,000,000.

12.3. COMMERCIAL GENERAL LIABILITY. Borrower shall obtain and maintain Commercial General Liability insurance in Insurance Services Office ("ISO") policy form CG 00 01 Commercial General Liability (Occurrence) or better. Such insurance shall have limits of liability, which are not less than \$1,000,000, per occurrence limit; \$5,000,000 general aggregate limit, and \$5,000,000 products and completed operations aggregate limit, all per location of the Project.

12.4. COMPREHENSIVE AUTOMOBILE LIABILITY. Borrower shall obtain and maintain comprehensive automobile liability coverage for any vehicle used for, or in connection with, the Project (owned, nonowned, hired, leased) having a combined single limit of not less than \$1,000,000.

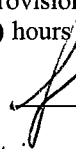

12.5. PROPERTY INSURANCE. For the duration of the Regulatory Agreements, Borrower shall obtain and maintain property insurance in ISO policy form CP 10 30 - Building and Personal Property Coverage - Causes of Loss - Special Form, to the full insurable value of the Property with no coinsurance penalty (and with endorsements of Builder's Risk until completion of construction of the Project), Boiler and Machine to the extent necessary to obtain full insurance coverage, and with such other endorsements and in such amounts as the Lender may reasonably require to protect the Project and the Property. In the event of damage to the Project and subject to the requirements of Lender, Borrower shall use the proceeds of such insurance to reconstruct the Project and the public improvements.

12.6. INSURANCE PROVISIONS. Each policy of insurance required under this Loan Agreement shall be obtained from a provider licensed to do business in California and having a current Best's Insurance Guide rating of B++ VII, which rating has been substantially the same or increasing for the last five (5) years, or such other equivalent rating, as may reasonably be approved by Lender's legal counsel. Each policy shall contain the following provisions as applicable, unless otherwise approved by Lender's legal counsel in writing in advance:

12.6.1. ADDITIONAL INSURED. Borrower shall obtain a policy in ISO form CG 20 33 or better, naming Lender as additional insured under the Commercial General Liability Policy.

12.6.2. **CERTIFIED POLICY COPY.** Borrower shall provide Lender with a Certificate of Insurance of Insurance for each policy on the applicable ACORD form. The ACORD form shall not substitute for the policy. ACORD 25-S "Certificate of Liability Insurance shall be used for liability insurance deleting the sentence in the top right-hand block immediately below the title (commencing "This certificate is issued as a matter of information . . .) and in the bottom right-hand box above the authorized representative signature, deleting the words "endeavor to" and "but failure to do so shall impose not obligation or liability of any kind upon the insurer, its agents or representatives."

12.6.3 **CANCELLATION.** Each policy shall bear an endorsement precluding cancellation or termination of the policy or reduction in coverage unless the Lender has been given written notice of such intended action at least thirty (30) days prior to its effective date. In the alternative to such endorsement, Borrower will provide the Agency with the cancellation clause and/or any amendatory endorsements that modify or change the policy cancellation clause of the insurance policies in force. It is the Contractor's responsibility to notify the Agency of any notice of cancellation, non-renewal or non-payment of premium in accordance with your policy provisions. In the event insurance is cancelled or not renewed, the Contractor shall notify the Agency within forty eight (48) hours of such cancellation or non-renewal.

 Borrower's Initials

12.7. **FAILURE TO MAINTAIN.** If Borrower fails to obtain or maintain, or cause to be obtained and maintained, any insurance required by this Loan Agreement, the Lender shall have the right, upon five (5) days written notice and opportunity to cure, to purchase the insurance on Borrower's behalf, and Borrower shall promptly reimburse the full cost of such insurance to the Lender. If Borrower fails to reimburse the Lender for insurance, the amount of unpaid reimbursement shall bear interest, at the maximum rate permissible under the law, until paid.

12.8. **BLANKET COVERAGE.** Borrower's obligation to carry insurance as required under this Section 12 may be satisfied by coverage under a "blanket" policy or policies of insurance (as the term is customarily used in the insurance industry); provided, however, that the Lender shall nevertheless be named as an additional insured under such blanket policy or policies to the extent required by this Section, the coverage afforded the Lender will not be reduced or diminished thereby, and all of the other requirements of this Section 12 with respect to such insurance shall otherwise be satisfied by such blanket policy.

13. MISCELLANEOUS.

13.1. **NONRECOURSE.** Notwithstanding any provision of this Loan Agreement or any document evidencing or securing this Loan, Borrower, and Borrower's principals, partners, members, agents, officers, and successors in interest shall not be personally liable for the payment of the Loan or any obligation of the Loan.

13.2. **CURE BY PARTY OTHER THAN BORROWER.** Any lender whose loan is secured by the property and any principal of Borrower may cure a default of the Loan, provided that such cure rights shall be the same as Borrower's cure rights. Such other curing party must cure by the date on which Borrower was obligated to cure, except if Lender is obligated by this Loan Agreement to give separate notice to such other curing party, in which instance, the cure period shall begin when Lender makes such notice to such other curing party.

13.3. **CONDEMNATION.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of all or any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. In the event of a taking of all of the Property, the proceeds shall be applied to the sums provided by this Loan, subject to any claims of senior lienholders, with the excess, if any, paid to junior lienholders and Borrower, as they may determine. In the event of the partial taking of the Property, unless Borrower and Lender otherwise agree in writing, and subject to any claims of senior lienholders, there shall be applied to the sums secured by this Deed of Trust such proportion of the proceeds as is equal to that proportion which the amount of the sums secured by this Deed of Trust immediately prior to the date of taking bears to the fair market value of the Property immediately prior to the date of taking, with the balance of the proceeds paid to junior lienholders and Borrower, as they may determine.

If the condemnor offers to make an award or settle a claim for damages to the Property and: (1) the Property is abandoned by Borrower; or (2) after notice by Lender to Borrower of the condemnor's offer, Borrower fails to respond to Lender within 30 days after the date such notice is mailed; Lender is authorized to collect and apply the proceeds, at Lender's option, either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

Unless Lender and Borrower otherwise agree in writing, any such application of proceeds to principal shall not extend or postpone the due date of any payment or change the amount of such payment.

13.4. FEDERAL REQUIREMENTS. If any Loan Program which is secured by the Property is federally funded, Borrower shall comply with all laws, rules, regulations and funding requirements that govern the use of such funds. Lender shall fully cooperate with, and assist Borrower in fulfillment of such obligations.

13.5. NATURE OF REPRESENTATIONS AND WARRANTIES. Borrower certifies to Lender that all representations and warranties made in this Loan Agreement and all other Loan Documents are true and correct in all material respects and do not contain any untrue statement of a material fact or omit any material fact necessary to make the representations and warranties not misleading. All representations and warranties will remain true and correct in all material respects and will survive so long as any of Borrower's obligations have not been satisfied or the Loan or any part of it remains outstanding, and for any applicable statute of limitations period. Each request by Borrower for a disbursement will constitute an affirmation that all representations and warranties remain true and correct as of the date of that request. Each representation and warranty made in this Loan Agreement, in any other Loan Documents, and in any other document delivered to Lender by Borrower will be deemed to have been relied on by Lender, regardless of any investigation, inspection, or inquiry made by Lender or any related disbursement made by Lender. The representations and warranties that are made to the best knowledge of Borrower have been made after diligent inquiry calculated to ascertain the truth and accuracy of the subject matter of each representation and warranty.

13.6. FINANCIAL STATEMENTS. Borrower shall provide Financial Statements when requested by Lender, but in any event not more often than quarterly during construction of the Project or annually, thereafter. Borrower shall assure that Financial Statements are prepared in accordance with generally accepted accounting principles. If requested by Lender as reasonably necessary to assure the security of its Loan, Borrower shall provide Financial Statements prepared or reviewed by a licensed Certified Public Accountant or Public Accountant and fully reflecting the assets and liabilities of the party concerning whom they were prepared.

13.7. NO WAIVER. No failure or delay on the part of Lender in exercising any right or remedy under the Loan Documents will operate as a waiver nor will Lender be estopped to exercise any right or remedy at any future time because of any such failure or delay. No express waiver will affect any matter other than the matter expressly waived and that waiver will be operative only for the time and to the extent stated. Waivers of any covenant, term, or condition in this Loan Agreement will not be construed to waive any subsequent breach of the same covenant, term, or condition.

13.8. NO THIRD PARTIES BENEFITED. This Loan Agreement is made and entered into for the sole protection and benefit of the parties and their permitted successors and assigns, and no other Person will have any right of action or any rights to funds at any time on deposit in the Construction Account or the Impound Account, if established.

13.9. NO JOINT VENTURE, PARTNERSHIP, OR OTHER RELATIONSHIP. No Joint Venture, Partnership, or Other Relationship. Nothing contained in this Agreement or in any other document executed in connection with this Agreement shall be construed as creating a joint venture or partnership between Agency and Developer. Each Party is acting as an independent entity and not as an agent of the other in any respect. No relationship exists as between Agency and Developer other than that of a lender and a borrower.

13.10. NOTICES. Borrower irrevocably appoints Lender as its agent (the agency being coupled with an interest) to file for record any notices of completion, cessation of labor, or any other notice that Lender deems necessary or desirable to protect its interests under this Loan Agreement or under the Loan Documents.

13.10.1. METHOD. All notices to be given under this Loan Agreement shall be in writing and sent to the addresses stated above for the respective recipient by one or more of the following methods.

a. Certified mail, return receipt requested, in which case notice shall be deemed delivered three (3) business days after deposit, postage prepaid in the United States Mail;

b. A nationally recognized overnight courier, by priority overnight service, in which case notice shall be deemed delivered one (1) business day after deposit with that courier;

c. Hand delivery with signed receipt for delivery from a person at the place of business of the receiving party and authorized to accept delivery for the receiving party, in which case notice shall be deemed delivered upon receipt, or

d. Telecopy, if a copy of the notice is also sent the same day by United States Certified Mail, in which case notice shall be deemed delivered one (1) business day after transmittal by telecopier, provided that a transmission report is automatically generated by the telecopier reflecting the accurate transmission of the notices to receiving party at the "Fax Number" given in the Escrow Attachment or to such other address as Borrower or Lender may respectively designate by written notice to the other.

13.10.2. **SHORT TERM NOTICES.** Notices, including requests for approval, requiring action in less than thirty (30) days may only be given by the foregoing overnight courier or hand delivery method, and shall include the following language on its face: "URGENT – TIME SENSITIVE – IMMEDIATE ACTION REQUIRED" and marked for delivery to Portfolio Management. Such notice shall include the time allowed under this Loan Agreement for action.

13.11. **ACTIONS.** Lender will have the right to commence, appear in, or defend any action or proceeding purporting to affect the rights, duties, or liabilities of the parties, or the disbursement of any funds under this Loan Agreement. In connection with that, Lender may incur and pay costs and expenses, including, without limitation, reasonable attorney fees. Borrower agrees to pay to Lender on demand all these expenses, and Lender is authorized to disburse funds from the Construction Account for that purpose. This Section does not apply to actions or proceedings between the parties.

13.12. **SIGNS.** Borrower agrees that on the request of Lender, Borrower will erect and place on or in the immediate vicinity of the Property a sign indicating that Lender has provided construction financing for the Project, which sign shall remain for the duration of construction. If Borrower places a sign on the Property during construction stating the names of the Project participants, it shall also name "Sacramento Housing and Redevelopment Agency" as a participant in the Project. Lender's name on the sign shall be in letters not less than size of letters used to name any of the other participants.

13.13. **ASSIGNMENT.** The terms of this Loan Agreement will be binding on and inure to the benefit of successors and assigns of the parties. However, Borrower shall not assign this Loan Agreement or any interest it may have in the monies due or, except as otherwise provided, convey or encumber the Property without the prior written consent of Lender to a party other than a general partner or member (or an affiliate controlled by such member or the manager thereof) of Borrower or a single asset entity wholly owned and controlled by Borrower or a general partner or member (or an affiliate controlled by such member or the manager thereof) of Borrower. However, if there is an assignment, conveyance, or encumbrance, Lender may nevertheless at its option continue to make disbursements under this Loan Agreement to Borrower or to those who succeed to Borrower's title, and all sums so disbursed will be deemed to be disbursements under this Loan Agreement and not modifications, and will be secured by the Trust Deed. Lender may at any time assign the Loan Documents to any affiliate of Lender or to a national bank or other lender having experience with construction lending, and the assignee will assume the obligations of Lender, and Lender will have no further obligation of any nature. In that case, the provisions of this Loan Agreement will continue to apply to the Loan, and the assignee will be substituted in the place and stead of Lender, with all rights, obligations, and remedies of Lender, including, without limitation, the right to further assign the Loan Documents. In addition, Lender may at any time assign a participation in the Loan to any other party, provided that Lender continues to be primarily obligated under this Loan Agreement.

13.14. **ACCELERATION ON TRANSFER OR REFINANCING OF THE PROPERTY; ASSUMPTION.** Except as otherwise provided in the Loan Agreement, if all or any part of the Property or an interest in the Property is sold, transferred or conveyed to any person, or refinanced in a manner that constitutes a "cash out" of this Project, for the benefit either of this Project or the Project Area and does not constitute a "cash out" of this Project, Lender may, at Lender's option, declare all the sums secured by this Deed of Trust to be immediately due and payable. Lender shall have waived such option to accelerate if, prior to the refinancing, sale or transfer, Lender and the person to whom the Property is to be sold or transferred reach agreement in writing that the loan may be assumed. If Lender has waived the option to accelerate provided in this Section and if Borrower's successor in interest has executed a written assumption agreement accepted in writing by Lender, Lender shall release Borrower from all obligations under this Deed of Trust and the Note

13.15. **PREPAYMENT.** Borrower may prepay the Loan in accordance with the terms and conditions in the Note. Borrower shall have no rights to receive, and under no circumstances will Borrower receive repayment of any fees previously paid to Lender.

13.16. **BORROWER'S RESPONSIBILITIES.** To prevent and avoid construction defects, Borrower shall inspect, review, supervise, and assure the high quality, adequacy, and suitability of: (i) the Plans and Specifications and all changes and amendments; and (ii) architects, contractors, subcontractors, and material suppliers employed or used in the Project, and the workmanship of and the materials used by all of them; and (iii) the progress and course of construction and its conformance with the Plans and Specifications and any amendments, alterations, and changes that may be approved by Lender. Borrower will, at Borrower's expense, defend, indemnify, save, and hold Lender harmless against all claims, demands, losses, expenses, damages (general, punitive, or otherwise), and causes of action (whether legal or equitable) asserted by any Person arising out of the use of the proceeds of the Loan. Borrower will pay Lender on demand all claims, judgments, damages, losses, or expenses (including attorney fees and expenses) incurred by Lender as a result of any legal action arising out of the use of the proceeds of the Loan. The provisions of this Section will survive the termination of this Loan Agreement and the repayment of the Loan.

13.17. **NONLIABILITY FOR NEGLIGENCE, LOSS, OR DAMAGE.** Borrower acknowledges, understands, and agrees as follows:

13.17.1. The relationship between Borrower and Lender is, and will at all times remain, solely that of borrower and lender, and Lender neither undertakes nor assumes any responsibility for or duty to Borrower to select, review, inspect, supervise, pass judgment on, or inform Borrower of the quality, adequacy, or suitability of the Project work, except as to matters which are within the intent and purpose for which Lender has made the Loan.

13.17.2. Lender owes no duty of care to protect Borrower against negligent, faulty, inadequate, or defective building or construction.

13.17.3. Lender will not be responsible or liable to Borrower for any loss or damage of any kind to person or property whether suffered by Borrower or any other Person or group of Persons or for negligent, faulty, inadequate, or defective building or construction, and Borrower will hold Lender harmless from any liability, loss, or damage for these things.

13.18. **CONTROLLING LAW; VENUE.** The Loan Documents will be governed by and construed in accordance with California law. The venue for any legal action or proceeding will be in the County of Sacramento, California.

13.19. **CONSENTS AND APPROVALS.** All consents and approvals by Lender required or permitted by any provision of this Loan Agreement will be in writing. Lender's consent to or approval of any act by Borrower requiring further consent or approval will not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act.

13.20. **SURVIVAL OF WARRANTIES AND COVENANTS.** The warranties, representations, conditions, covenants, and agreements in this Loan Agreement and in the other Loan Documents will survive the making of the Loan and the execution and delivery of the Note and will continue in full force until the Indebtedness has been paid in full. Nothing in this Section is intended to limit any other provision of the Loan Documents that by their stated terms survive the repayment of the Indebtedness or the termination of any Loan Document.

13.21. **RECORDING AND FILING.** Borrower, at its expense, will cause the Security Documents and all supplements to be recorded and filed and re-recorded and re-filed in any manner and in any places as Lender will reasonably request, and will pay all recording, filing, re-recording, and re-filing taxes, fees, and other charges.

13.22. **LOAN EXPENSES.** In making the first disbursement, Lender may, at its option, deduct from the proceeds of that disbursement a sum equal to the aggregate of the following, to the extent Lender has knowledge of it and demand has been made on Lender at the time of the deposit: all expenses specifically incurred in connection with the Loan or the preparation, execution, and delivery of the Loan Documents, including, but not limited to, recording costs and expenses, transfer and other taxes (if any), surveys, appraisal fees, title and hazard insurance premiums, recording, notary, and escrow charges, and all other similar, usual, or customary loan closing charges and expenses; and any other budgeted expenses that have been approved by Lender in writing; and Lender will, for the benefit of Borrower, pay those amounts over to the respective parties on whose behalf the demands will have been received by Lender. Borrower will pay directly any expenses in connection with the Loan not so paid by Lender, including, without limitation, any of the expenses specified above, and will hold Lender free from any cost, liability, or obligation of any nature in connection with it, including reasonable attorney fees incurred by Lender. Borrower further agrees to pay on demand all out-of-pocket costs and

expenses reasonably incurred by Lender including, without limitation, the fees and disbursements of Lender's outside counsel, in connection with: (i) the administration of the Loan, including, without limitation, all approvals or consents given or contemplated to be given under the Loan Documents, all amendments to the Loan Documents entered into by Lender or requested by any Loan Party, and all title insurance policies and endorsements required by Lender, and (ii) the enforcement of any rights or remedies under the Loan Documents, whether any action or proceeding is commenced, or the protection of the security, or interests of Lender under the Loan Documents. All costs and expenses, together with interest at Loan rate, will form a part of the indebtedness and will be secured by the Security Documents.

13.23. **NO REPRESENTATIONS BY LENDER.** By accepting or approving anything required to be observed, performed, or fulfilled, or to be given to Lender pursuant to this Loan Agreement or pursuant to the Loan Documents, including, but not limited to, any officer's certificate, balance sheet, statement of income and expense, or other Financial Statement, survey, appraisal, or insurance policy, Lender will not be deemed to have warranted or represented the sufficiency, legality, effectiveness, or legal effect of it or of any particular term, provision, or condition of it, and any acceptance or approval will not be or constitute any warranty or representation by Lender.

13.24. **AMENDMENT.** The Loan Documents and the terms of each of them may not be modified, waived, discharged, or terminated except by a written instrument signed by the party against whom enforcement of the modification, waiver, discharge, or termination is asserted.

13.25. **TERMINATION.** Except as otherwise provided in the Loan Documents, all rights and obligations under this Loan Agreement will terminate except as to any accrued obligations effective on the payment of all Indebtedness owing by Borrower to Lender.

13.26. **COUNTERPARTS.** The Loan Documents may be executed in any number of counterparts and by different parties in separate counterparts, each of which when executed and delivered will be deemed an original and all of which counterparts taken together will constitute one and the same instrument.

13.27. **SEVERABILITY.** If any term, provision, covenant, or condition or any application is held by a court of competent jurisdiction to be invalid, void, or unenforceable, all terms, provisions, covenants, and conditions and all applications not held invalid, void, or unenforceable will continue in full force and will in no way be affected, impaired, or invalidated.

13.28. **CAPTIONS.** All Article and Section headings in the Loan Documents are inserted for convenience of reference only and do not constitute a part of the Loan Documents for any other purpose.

13.29. **INDEMNITY.** Borrower agrees to defend, indemnify, and hold Lender harmless from all losses, damages, liabilities, claims, actions, judgments, costs, and reasonable attorney fees that Lender may reasonably incur as a direct or indirect consequence of the making of the Loan, Borrower's failure to perform any obligations as and when required by this Loan Agreement or any of the other Loan Documents, the failure at any time of any of Borrower's representations or warranties to be true and correct, or any act or omission by Borrower, any contractor, subcontractor, engineer, architect, or other Person with respect to the Property, the Project, or any portion of them. Borrower will pay immediately on Lender's demand any amounts owing under this indemnity, together with interest at the maximum rate permitted by law from the date Lender makes a payment or incurs a loss. Borrower's duty to indemnify Lender will survive the release and cancellation of the Note and the reconveyance or partial reconveyance of the Trust Deed.

13.30. **FURTHER ASSURANCES.** At Lender's request and at Borrower's expense, Borrower will execute, acknowledge, and deliver all other instruments and perform all other acts necessary, desirable, or proper to carry out the purposes of the Loan Documents or to perfect and preserve any liens created by the Loan Documents.

13.31. **DISCLOSURE OF INFORMATION.** If Lender elects to sell the Loan, Lender may forward to the buyer of the Loan all documents and information related to the Loan in Lender's possession, including without limitation all Financial Statements, whether furnished by Borrower or otherwise.

13.32. **LENDER'S AGENTS.** Lender may designate agents or independent contractors to exercise any of Lender's rights under the Loan Documents. Any reference to Lender in any of the Loan Documents will include Lender's employees, agents, and independent contractors.

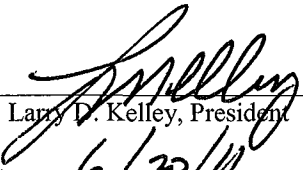

13.33. **INTEGRATION AND INTERPRETATION.** The Loan Documents contain or expressly incorporate by reference the entire agreement between Lender and Borrower with respect to the covered matters and supersede all prior negotiations. Any reference to the Property or Project in any of the Loan Documents will include all or any portion of them. Any reference to the Loan Documents themselves in any of the Loan Documents will include all amendments, renewals, or extensions approved by Lender.

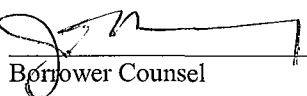

13.34. **NUMBER, IDENTITY AND GENDER.** When the context and construction so require, all words used in the singular will be deemed to have been used in the plural and vice versa. Person means any natural person, corporation, firm, partnership, association, trust, government, governmental agency, or any other entity, whether acting in an individual, fiduciary, or other capacity. When the context and construction so require, all words which indicate a gender will be deemed to have been used to indicate the gender as indicated by the context.

NOTICE: THIS SUBORDINATION AGREEMENT RESULTS IN OUR SECURITY INTEREST IN THE PROPERTY BECOMING SUBJECT TO AND OF LOWER PRIORITY THAN THE LIEN OF SOME OTHER OR LATER SECURITY INSTRUMENT.

THIS AGREEMENT, made this ____ day of ____, 2011, by _____ owner of the land hereinafter described and hereinafter referred to as "Owner", and The Sacramento Housing and Redevelopment Agency present owner and holder of the deed of trust and note first hereinafter described and hereinafter referred to as "Beneficiary";

WITNESSETH

THAT WHEREAS, Owner did on _____, execute a deed of trust to _____ as trustee, covering: _____ to secure a note in the sum of \$ _____, dated _____, in favor of beneficiary, which deed of trust was recorded _____, in book _____ page _____, Official Records of said county and is subject and subordinate to the deed of trust next hereinafter described; and

WHEREAS, Owner has executed, or is about to execute, a note in the amount of \$ _____, dated _____, in favor of _____, hereinafter referred to as "Lender", payable with interest and upon the terms and conditions described therein, which note evidences an additional loan to be made by Lender to Owner under the terms and provisions of, and secured by, said deed of trust in favor of Lender; and

WHEREAS, it is a condition precedent to obtaining said additional loan that said deed of trust in favor of Lender, securing all obligations recited therein as being secured thereby, including but not limited to said additional loan, shall unconditionally be and remain at all times a lien or charge upon the land hereinbefore described, prior and superior to the lien or charge of the deed of trust first above mentioned; and

WHEREAS, Lender is willing to make said additional loan provided the deed of trust securing the same is a lien or charge upon said land prior and superior to the lien or charge of the deed of trust first above mentioned and provided that Beneficiary will specifically and unconditionally subordinate the lien or charge of the deed of trust first above mentioned to the lien or charge of said deed of trust in favor of Lender; and

WHEREAS, it is to the mutual benefit of the parties hereto that Lender make said additional loan to Owner; and Beneficiary is willing that the deed of trust securing the same shall constitute a lien or charge upon said land which is unconditionally prior and superior to the lien or charge of the deed of trust above mentioned.

NOW, THEREFORE, in consideration of the mutual benefits accruing to the parties hereto and other valuable consideration, the receipt and sufficiency of which consideration is hereby acknowledged, and

in order to induce Lender to make the additional loan above referred to, it is hereby declared, understood, and agreed as follows:

(1) That said deed of trust in favor of Lender, as to said additional loan as well as all other obligations recited as being secured thereby, and any renewals or extensions hereof, shall unconditionally be and remain at all times a lien or charge on the property therein described, prior and superior to the lien or charge of the deed of trust first above mentioned.

(2) That Lender would not make its additional loan above described without this subordination agreement.

(3) That this agreement shall be the whole and only agreement with regard to the subordination of the lien or charge of the deed of trust first above mentioned to the lien or charge of the deed of trust in favor of Lender above referred to and shall supersede and cancel, but only insofar as would affect the priority between the deeds of trust hereinbefore specifically described, any prior agreements as to such subordination, including, but not limited to, those provisions, if any, contained in the deed of trust first above mentioned, which provide for the subordination of the lien or charge thereof to another deed or deeds of trust or to another mortgage or mortgages.

Beneficiary declares, agrees, and acknowledges that

(a) He consents to and approves (i) all provisions of the note evidencing said additional loan and the deed of trust securing same, and (ii) all agreements, including but not limited to any loan or escrow agreements, between Owner and Lender for the disbursement of the proceeds of Lender's additional loan;

(b) Lender in making disbursements pursuant to any such agreement is under no obligation or duty to, nor has Lender represented that it will, see to the application of such proceeds by the person or persons to whom Lender disburses such proceeds and any application or use of such proceeds for purposes other than those provided for in such agreement or agreements shall not defeat the subordination herein made in whole or in part;

(c) He intentionally and unconditionally waives, relinquishes, and subordinates the lien or charge of the deed of trust first above mentioned in favor of the lien or charge upon said land of the deed of trust in favor of Lender, as to said additional loan as well as all other obligations recited therein as being secured thereby, and understands that in reliance upon and in consideration of this waiver, relinquishment and subordination specific loans and advances are being and will be made and, as part and parcel thereof, specific monetary and other obligations are being and will be entered into which would not be made or entered into but for said reliance upon this waiver, relinquishment and subordination; and

(d) An endorsement has been placed upon the note secured by the deed of trust first above mentioned that said deed of trust has by this instrument been subordinated to the lien or charge of the deed of trust in favor of Lender above referred to.

NOTICE: THIS SUBORDINATION AGREEMENT CONTAINS A PROVISION WHICH ALLOWS THE PERSON OBLIGATED ON YOUR REAL PROPERTY SECURITY TO OBTAIN A LOAN, A PORTION OF WHICH MAY BE EXPENDED FOR OTHER PURPOSES THAN IMPROVEMENT OF THE LAND.

For purposes of this Agreement, the capitalized terms shall have the meanings assigned in Section 14.

THE REDEVELOPMENT AGENCY OF THE COUNTY OF SACRAMENTO, and MP HOLDINGS, LLC, also defined as “Agency” and “Developer”, respectively, enter into this Owner Participation Agreement (“OPA”), as of June 21, 2011.

RECITALS

A. Developer is in lawful possession of real property located on the south side of Peacekeeper Way, between Luce Avenue and Roberts Avenue, consisting of portions of the Building 250-260 Complex (Building Complex) on Assessor’s Parcel Numbers 215-0320-005 and 215-0320-007, and more specifically described as Building 250, Bays F, I and J, and Building 260, Bays 269 B, C, D, E and F (together, the “Bays”). The Property is located in the McClellan Air Force Base portion of the Merged Mather/McClellan Redevelopment Project Area, County of Sacramento, California, is the subject to the Project Area’s Redevelopment Plan, and is further identified in **Exhibit 5: Scope of Development**, which is incorporated into this OPA by this reference.

B. This OPA is made in accordance with provisions of the Redevelopment Plan for participation by property owners in redevelopment of the project area (adopted in accordance with California Health & Safety Code Section 33339).

C. The Agency is participating in this OPA because this OPA is consistent with, and furthers, the Redevelopment Plan and the Implementation Plan. Specifically and without limitation, the Agency has determined that the Project will eliminate the following blighting influences: low or stagnant property values and impaired investment in the Project Area, high number of property vacancies, low rents, and a high number of vacant lots, inadequate public infrastructure, deficient buildings, improper parcels and hazardous materials. The Agency has also determined that the Project will meet the goals of the current “Implementation Plan” adopted for the Project Area by ensuring a continuation of smooth and expedient transition of McClellan AFB to civilian use; creating a balanced and integrated land use pattern that optimizes existing AFB assets; enhancing the regional and local character through quality development; facilitating the timely and cost effective transition of infrastructure systems to local providers, and; encouraging a closer integration of industrial and other compatible land uses.

D. In order to accomplish such Agency goals and purpose, the OPA provides that the Developer will redevelop the Property in the manner and for the uses described in this OPA. Therefore, Developer desires to develop the Property, and Agency desires to assist development of the Property, on the terms and conditions in this OPA.

AGREEMENT

NOW THEREFORE, in consideration of the following mutual covenants, obligations and agreements and for other good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties agree as follows:

1. **PROJECT DESCRIPTION.** The Project being assisted with the Agency Funding includes, but is not limited to the following: Clearing the old, blighted military infrastructure, furniture, and fixtures from the Bays; remediating lead based paint and asbestos; removing non-structural walls, rooftop equipment, obsolete piping and wiring, and the conveyor systems that span Luce Avenue; repairing any damage that will likely result from the demolition and removal of the decades old military improvements and related items, and; clearing the Bays to a clean-shell tenant ready condition. The Project is further described in **Exhibit 5: Scope of Development**.

2. **AGENCY FUNDING.** Agency is providing funding to the Project under the Agency Funding Agreement for development of the Project as described in Section 1. If Developer fails to develop the Project as and when required by this OPA, Developer must repay the Agency Funding as provided in the Agency Funding Agreement. As a condition of Agency's obligation to provide the Agency Funding and in consideration of the Agency Funding, Agency is purchasing from Developer, and Developer is selling to Agency, an operating covenant to assure the operation of the Project as described in Section 1, as well as other obligations and restrictions, including without limitation, use restrictions, as evidenced by the Regulatory Agreement.

2.1. **DEVELOPER'S POWER TO HAVE LOAN FORGIVEN.** If the Project is complete and used in accordance with the OPA and Regulatory Agreement, for ten (10) years following issuance of the Certificate of Completion pursuant to Section 4.11 of this OPA, within 60-days of each calendar year end a prorated portion of the loan will be forgiven in relation to the amount of additional building space that is rehabilitated, leased and occupied in that year. This reduction will be determined by a proportional calculation the quotient of which is determined by the sum of the floor space within Building 250, Bays F, I and J, and Building 260, Bays 269 B, C, D, E and F (together, the "Bays") that has been rehabilitated, leased and occupied in the prior twelve (12) months (the numerator), divided by eighty (80%) percent of the total available lease space within the Bays or 138,017 square feet (the denominator), which assumes an eighty (80%) stabilized occupancy within the Bays. For example, should 25,000 square feet be rehabilitated, leased and occupied in the first year, then 18% of the principal and accrued interest will be forgiven for that period. For every month of non-compliance with the Regulatory Agreement and/or OPA, the portion of the loan that would have otherwise been forgiven will not be forgiven and repayment of the unforgiven amount shall begin in accordance with the Payment Schedule of the Promissory Note and other terms and conditions of this Agreement.

2.2. **AGREEMENT REGARDING APPEAL TAX ASSESSMENT.** Pursuant to this Section, the Developer agrees that in any appeal or contest to the assessment for taxes by the County Tax

Assessor Developer will not assert that the Project has a value of less than is necessary to generate the tax increment required to repay the Agency funding of this OPA.

3. PREPARATION AND APPROVAL OF PLANS AND RELATED DOCUMENTS. This OPA is a financing document of the Agency and not a land use or planning document. Approval of the Project under this OPA by the Agency is not and shall not be considered an approval of land use entitlements or structural design of the Project, or the aesthetic design of the Project except as an approval by the Agency of the Project design concept as presented in this OPA. Developer shall comply with all applicable land use, planning and design laws, rules and regulations of each governmental agency acting in proper exercise of their respective jurisdictions, including without limitation, departments, staff, boards and commissions of the County. The Agency shall have the right, but not the obligation, to review Plans to assure their conformity with the provisions of this OPA and approvals given under this OPA. Based upon such review, the Agency shall have the right to approve or reject the Plans for reasonable cause. Agency's right of review includes, without limitation, the right to review architectural and engineering plans and specifications, off-site plans and specifications, and landscaping designs and specifications. Agency's approval of Plans is not an assurance of their adequacy or correctness. Agency has reserved approval rights solely: (a) to assure that the Plans further the Redevelopment Plan; (b) to assure that the Final Plans conform to the Preliminary Plans; and (c) to assure that any Agency funds which may be obligated under this OPA are used as intended by the Agency.

3.1. CONCURRENT REVIEW. Agency agrees that its review of the Final Plans shall occur prior to or concurrently with County's review of such plans, so as not to delay the commencement and progress of Project development. Agency agrees that its review of the Final Plans is strictly limited to making a determination that the Final Plans conform to the architectural designs (but not the detailed schematics, if any) presented in the Plans, the Scope of Development, the uses permitted on the Property and the Redevelopment Plan.

3.2. PRELIMINARY PLANS. Developer shall provide Preliminary Plans following the approval of this OPA. The Agency has been induced to undertake its obligations under this OPA by Developer's promise to develop the Project in accordance with the Plans, the Scope of Development and the provisions of this OPA.

3.3. PREPARATION OF FINAL PLANS AND RELATED DOCUMENTS. Developer shall prepare the Final Plans that shall include all construction plans, drawings, specifications and other documents necessary to obtain all required building permits for the construction of the Project. Developer shall submit the Final Plans to the Agency for Agency's review. The Final Plans shall conform in all material respects to the Preliminary Plans and the Scope of Development. To the extent that the Preliminary Plans and Scope of Development have insufficient detail or are unclear, the Preliminary Plans shall be deemed to provide that the Project shall contain high-quality materials, and shall conform to all applicable zoning, design and usage guidelines. The Final Plans shall be considered to include all changes or corrections approved as provided in this OPA. The Final Plans shall incorporate all related mitigation measures required for compliance with CEQA approvals, as stated in the Mitigation Monitoring Plan, if any adopted under CEQA as a condition of approval of the Project. Developer agrees that it will comply with the requirements of the Design Review Board to the extent of its jurisdiction.

3.4. **DELIVERY.** Developer shall deliver the Final Plans or changes to the Final Plans for Agency review as soon as available. Said delivery shall be made to the office of the Agency Clerk and shall have clearly marked on its exterior "URGENT: McClellan Building 250-260 Complex PROJECT PLAN REVIEW" or the equivalent.

3.4.1. **DEEMED APPROVAL.** The Final Plans or changes to the Final Plans shall be deemed approved unless disapproved in whole or in part, in writing, within fifteen (15) days after their proper delivery to Agency.

3.4.2. **AGENCY DISAPPROVAL.** If Agency disapproves, in whole or in part, the Final Plans or any change to the Final Plans, Agency shall state, specifically and in writing, at the time of disapproval, the reasons for disapproval and the changes which the Agency requests to be made. Agency's reasons for disapproval and such Agency-requested changes shall be consistent with the Preliminary Plans, the Approved Final Plans, the Scope of Development and with any items previously approved under this Section 3. If the Agency rejects the proposed Final Plans, Developer shall obtain no rights to develop the Property under this OPA and Agency shall have no obligations regarding the Project until such time as Developer has modified the proposed Final Plans and received the Agency's approval of the Final Plans as modified.

3.5. **GOVERNMENTAL CHANGES.** If any revisions or corrections of the Final Plans shall be required by any government official, agency, department or bureau in exercise of its proper jurisdiction, the Developer shall inform the Agency. If Agency and Developer concur in writing with the required change, Developer shall incorporate the change and it shall be deemed approved by Agency. If Agency or Developer reasonably disagree with the required change, they shall reasonably cooperate with the agency requiring the change in efforts to develop a mutually acceptable alternative.

3.6. **APPROVAL OF SUBSTANTIAL CHANGES TO FINAL PLAN.** If the Developer desires to make any substantial changes in the Final Plans as approved by the Agency, the Developer shall submit such proposed changes, in writing, to the Agency for its approval. The Final Plans shall be construed to include any changes approved in the same manner as for approval of the original Final Plans. The Agency shall approve or disapprove the proposed change as soon as practicable. Nothing in this Section shall be construed to relieve Developer of its obligations under all applicable laws regarding such changes.

3.6.1. **SUBSTANTIAL CHANGE.** A substantial change in the Final Plans shall include, without limitation, the following changes, excluding those items generally considered to be tenant improvements. For purposes of this Section 3.6.1, a "material change" is a change that is material to the Agency in accomplishing its purposes under this OPA.

- a) Material changes in the layout, elevation design, square footage.
- b) Material changes in use of exterior finishing materials substantially affecting architectural appearance or functional use and operation.

c) Material changes in site development items for the Property that are specified in the Final Plans.

d) Any changes requiring approval of any city, county or state board, body, commission or officer, or any change required by any city, county or state board, body, commission or officer.

e) Any change which would preclude or materially reduce the ability to use the Project as intended by this OPA.

3.6.2. **MISREPRESENTATION.** If the Agency's approval of the Final Plans is reasonably based upon a material misrepresentation to Agency by Developer or by anyone on Developer's behalf, the Agency may, within a reasonable time after discovery of the misrepresentation, take any action permitted by law with regard to any such misrepresentation, notwithstanding Agency's prior approval, including without limitation, rescission of the approval or such other equitable remedies as may then be appropriate to such rescission.

4. **DEVELOPMENT PROVISIONS.** As stated in detail in this Section 4, Developer shall construct and manage the Project according to the requirements established in this OPA, which includes, without limitation, the Scope of Development, the Schedule of Performances and the Plans. Developer shall promptly begin, diligently prosecute and timely complete the construction of the Project. In interpreting the provisions of this OPA, the provisions that specifically enforce the Redevelopment Plan and the applicable provisions of the Community Redevelopment Law shall control.

4.1. **CONSTRUCTION CONTRACTS.** Developer shall submit to Agency the construction contract for the Project. Agency's review of the construction contract shall be only for determining its compliance with this OPA. If the cost of construction of the Project or any part of the Project exceeds the costs projected by Developer, Developer shall, nevertheless, bear the responsibility to complete, at Developer's cost, the construction of the Project in accordance with this OPA.

4.2. **GOVERNMENTAL REVIEW PROCESS.** Notwithstanding any other provision of this OPA, Developer is subject to all building, planning, design and other plan review requirements that are otherwise applicable to the project, including without limitation those of the County of Sacramento.

4.3. **SUBSTANTIAL CHANGES.** Developer covenants and agrees that Developer shall not make or permit to be made any construction of the Project which incorporates a substantial change in the Final Plans, as described in Section 3.6, without Agency approval of such changes as provided in Section 3.6.

4.4. **LOCAL, STATE AND FEDERAL LAWS.** The Developer shall assure that the construction of the Project is carried out in conformity with all applicable laws and regulations, including all applicable federal and state labor standards. Developer acknowledges and agrees that all wage and hour laws and other labor laws as applicable, including without limitation prevailing wage

requirements, are the sole responsibility of Developer and Developer's contractors and subcontractors. Developer and its contractors and subcontractors have undertaken to ascertain the applicability of such laws prior to preparation of the final Project budget and have included the costs arising from such laws in the final Project budget. Developer shall keep, or cause to be kept, all records and make all payments, of any kind, that may be required for compliance with said laws and regulations. Before commencement of construction or development of any buildings, structures or other work of improvement upon the Property, Developer shall at its own expense secure any and all certifications and permits which may be required by any governmental agency having jurisdiction over such construction, development or work. Developer shall permit only persons or entities which are duly licensed in the State of California, County of Sacramento and City of Sacramento, as applicable, to perform work on or for the Project.

4.5. PREVAILING WAGES. The State of California Department of Industrial Relations has undertaken the aggressive and expansive enforcement of prevailing wage laws for redevelopment projects. The Agency has advised, and the Developer acknowledges, that the Project is subject to the payment of prevailing wages under the laws of the State of California. Developer has had the opportunity to meet with Developer's legal counsel and to request a determination from the State of California Department of Industrial Relations regarding the applicability of prevailing wage requirements to this Project. Developer has made its independent determination of the applicability of prevailing wage laws and has independently implemented such determination. Developer, therefore, indemnifies, holds harmless and defends the Agency from all additional wages, benefits, fees, penalties, fines, legal fees, court costs, arbitration costs, and other costs arising from Developer's determinations and actions related to prevailing wage obligations for the work of this OPA.

4.6. PUBLIC SAFETY PROTECTIONS. Developer shall assure that all necessary steps are taken (including the erection of fences, barricades and warning devices) to protect private contractors and their employees and the public from the risk of injury arising out of the condition of the Property or Developer's activities in connection with the Property, including without limitation, fire, or the failure, collapse or deterioration of any improvements or buildings.

4.7. NONDISCRIMINATION IN CONTRACTING AND EMPLOYMENT. Developer for itself, any project manager, the Contractor, and the property manager engaged in connection with the Project or Property, and their respective successors and assigns, agrees that the following provisions shall apply to, and be contained in all contracts and sub-contracts for the construction of the Project.

4.7.1. EMPLOYMENT. Developer shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, marital status, creed or national origin. The Developer will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, sex, marital status, national origin, ancestry, familial status, or disability. Such action shall include, but not limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Developer agrees to post in

conspicuous places, available to employees and applicants for employment, notices to be provided by the Agency setting forth the provisions of this nondiscrimination clause.

4.7.2. **ADVERTISING.** Developer will, in all solicitations or advertisements for employees placed by or on behalf of the Developer, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, creed, sex, marital status, national origin, ancestry, familial status, or disability.

4.8. **PUBLIC IMPROVEMENTS.** Developer shall, at Developer's expense as a Project cost, undertake and complete any modification, construction, relocation or improvement of public facilities, improvements and utilities for the development of the Property.

4.9. **AGENCY ACCESS TO THE PROPERTY.** Developer shall permit Agency representatives access, without charge, to the entire Property at any time and for any purpose which Agency reasonably considers necessary to carry out its obligations and protect its interests under the OPA. Purposes for Agency entry may include, without limitation, inspection of all work being performed in connection with the construction of the Project.

4.10. **PROJECT SIGN.** If Developer places a sign on the Property during construction stating the names of the Project participants, it shall also name "Sacramento Housing and Redevelopment Agency" as a participant in the Project. The Agency name on the sign shall be in letters not less than size of letters used to name any of the other participants.

4.11. **CERTIFICATE OF COMPLETION.** After the Agency has determined that Developer has completed the construction of the Project in accordance with the Final Plans and Developer's obligations under this OPA, the Agency will furnish the Developer with a "Certificate of Completion" certifying such completion. Such certification shall be a conclusive determination of satisfaction and termination of the agreements and covenants in the OPA with respect to the obligations of the Developer to construct the Project as of the Completion Date, subject to any qualifications or limitations stated in such certification. Agency shall prepare and execute each Certificate of Completion in a form suitable for recording in the Official Records of Sacramento County.

4.11.1. Such certification and such determination shall not constitute evidence of compliance with any governmental requirements regarding the Project other than those of Agency or satisfaction of any obligation of the Developer to any holder of a mortgage, or any insurer of a mortgage, securing money loaned to finance all or any part of the Project. Such certification and such determination shall not constitute evidence of compliance with or satisfaction of any provision of this OPA that is not related to construction of the Project.

4.11.2. If the Agency fails to provide a Certificate of Completion within fifteen (15) days after written request by Developer, the Agency shall, within an additional fifteen (15) days after a second written request by the Developer, provide the Developer with a written statement, indicating in adequate detail in what respects the Developer has failed to complete the Project in accordance with the provisions of the OPA, or is otherwise in default, and what measure or acts

it will be necessary, in the opinion of the Agency, for the Developer to take or perform in order to obtain such certification.

4.12. **REPORTS.** During the period of construction, the Developer shall submit to the Agency a written report of the progress of the work as and when reasonably requested by the Agency, but not more often than once each month

4.13. **NOTIFICATION OF GENERAL CONTRACTORS, ARCHITECTS AND ENGINEERS.** Developer shall assure that the respective parties through the Project Documents have the responsibility of notifying the Project contractors, architects and engineers for the Project of the requirements of this OPA. Developer shall include, where applicable, the provisions of this OPA in construction contracts and subcontracts for the Project, and Developer shall undertake the enforcement of such provisions.

4.14. **PROPERTY CONDITION.** Except as provided in this OPA, if the condition of the Property is not in all respects entirely suitable for the use or uses to which the Property will be put, it is the sole responsibility and obligation of the Developer to take such reasonable actions as may be necessary to place the condition of the Property in a condition which is entirely suitable for its development in accordance with the construction plans and drawings approved by Agency.

4.15. **ZONING OF THE PROPERTY.** Agency exercises no authority with regard to zoning of the Property. Developer shall assure that zoning of the Property at the time of development shall be such as to permit the development and construction, use, operation and maintenance of the Project in accordance with the provisions of this OPA.

5. **DEVELOPMENT FINANCING.** Developer shall be responsible for and shall pay all costs of developing the Project except as otherwise provided in this OPA. As a condition precedent to Agency's obligation to provide the Agency Funding, Developer shall provide the Agency with a complete and firm Project budget including all proposed sources and uses of funds, all "hard" and "soft" costs and contingencies and reflecting, as possible, firm bids or accepted contracts and with evidence of sufficient funds to meet all budget requirements. To the extent that funds specified in this OPA for the Project are insufficient to fully fund the Project, the Developer shall provide evidence, satisfactory to the Agency, of the additional required construction and permanent financing. Except as expressly provided in this OPA, no party shall have the right of reimbursement for any funds expended by them for the Project. Agency is not obligated by this OPA or otherwise to make any contribution beyond its obligations stated in this OPA.

5.1. **EVIDENCE OF AVAILABLE FUNDS.** Unless otherwise approved by the Agency, Developer's evidence of available funds must include only the following: (a) Developer equity (as provided in Section 5.3); and (b) Agency contribution, if any, as specified in this OPA. Within ten (10) days after Agency's request, Developer shall provide all additional information requested by the Agency for evaluation of the actual availability of funds included in such evidence, including without limitation, requests for clarification, further evidence or audited financial reports.

5.2. EVIDENCE OF DEVELOPER EQUITY. Unless otherwise agreed in writing by the Agency, Developer may provide evidence of equity by any one or more of the following actions: (a) a deposit of the required equity in a joint account with the Agency, which funds shall be released only upon the joint signatures of the Agency and the Developer; (b) delivery to Agency of an unconditional, irrevocable letter of credit in the amount of the required equity, in form and content as provided by the Agency, which letter of credit shall provide that the Agency may draw to fulfill any Developer obligation related to the development of the Project and necessary to assure its timely and proper completion; or (c) Developer's provision of financial statements prepared by a certified public accountant that show liquid assets available to the Project (and not subject to other existing or contingent claims) in the amount of One Hundred and Fifty Percent (150%) of the amount of the required equity. Developer shall not provide evidence of equity that includes funds not available at the commencement of construction or that claims as equity any funds to be generated by development of the Project, including without limitation, anticipated Developer profit or fees or Developer contribution of services to the Project. The Agency may reject any submitted evidence of equity if the Agency has any reason to believe that such funds may not be available to the Project.

6. USE COVENANTS. Developer shall own and manage the Property in accordance with the provisions of this OPA.

6.1. NON-DISCRIMINATION. Developer shall not cause and shall not permit discrimination on any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code in the sale, lease, or rental or in the use or occupancy of the Property. Developer covenants by and for himself, his heirs, executors, administrators, and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property. This covenant against discrimination shall continue in perpetuity.

6.2. REGULATORY AGREEMENT. Developer covenants by and for itself, its heirs, executors, administrators, and all persons claiming under or through it, that the Property shall be used strictly in accordance with the provisions of the Regulatory Agreement.

7. INDEMNIFICATION. Developer shall indemnify, protect, defend and hold harmless Agency, its officers, directors, commission members, employees, advisory committee members, and agents from any and all liability from bodily injury, death and property damage caused by or resulting from the acts or omissions of Developer, its officers, employees, agents or independent contractors and for any and all costs incurred by Agency in defending against such liability claims, including attorney's fees, except for injury, death or property damage caused by the negligent act or willful misconduct of Agency.

Agency shall indemnify, protect, defend and hold Developer harmless from any and all liability from bodily injury, death and property damage caused by or resulting from the acts or omissions of Agency, its officers, commission members, employees, advisory committee members or agents and for any and all costs incurred by Developer in defending against such liability claims,

including attorney's fees, except for injury, death or property damage caused by the negligent act or willful misconduct of Developer.

This indemnification provision shall survive the termination of this agreement.

8. INDEMNIFICATION FOR HAZARDOUS SUBSTANCES. Developer shall indemnify, protect and defend Agency, its respective officers, directors, commission members, employees, advisory committee members, and agents, and hold them harmless from any and all liability, costs, fees, penalties and claims related to: (a) the removal, discharge or release of Hazardous Substances on the Property after Developer has taken possession of the Property; or (b) the existence of Hazardous Substances on the Property, which were not on the Property prior to Developer's taking possession of the Property.

9. LIABILITY INSURANCE. With regard to this OPA, the Developer shall obtain and maintain, and require the contractor and subcontractors for the Project to obtain and maintain, such insurance as will protect them, respectively, from the following claims which may result from the operations of the Developer, any contractor, subcontractor or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable: (a) claims under workers' compensation benefit acts; (b) claims for damages because of bodily injury, occupational sickness or disease, or death of its employees; (c) claims for damages because of bodily injury, sickness or disease, or death of any person other than its employees; (d) claims for damages insured by usual personal injury liability coverage which are sustained (1) by any person as a result of an offense directly or indirectly related to the employment of such person by the Developer, or (2) by any other person; claims for damages, other than to the construction itself, because of injury to or destruction of tangible property, including resulting loss of use; (e) claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance or use of any motor vehicle; and (f) claims for contractual liability arising from the Developer's obligations under this OPA.

9.1. LIABILITY INSURANCE POLICY LIMITS. Developer shall assure that the insurance required by this Section shall be written with a deductible of not more than ONE HUNDRED THOUSAND DOLLARS (\$100,000).

9.2. WORKER'S COMPENSATION. Worker's compensation coverage shall be written for the statutory limits as required by the California Labor Code (commencing with Section 3700, as it may, from time to time, be amended) and having an employer's liability of not less than \$1,000,000 or statutory limits, whichever are greater.

9.3. COMPREHENSIVE GENERAL LIABILITY. Commercial general liability coverage shall include premises-operations, independent contractor's protective, products and completed operation (for four years), broad form property damage, and contractual liability coverage (or such other substantially similar coverage as may be approved by Agency Counsel). Such insurance shall have limits of liability which are not less than \$5,000,000, each occurrence, for bodily injury coverage; \$5,000,000 aggregate, for products and completed operations coverage; \$1,000,000 each occurrence for property damage coverage, single limit and aggregate; and which is the same as the foregoing coverages.

9.4. **COMPREHENSIVE AUTOMOBILE LIABILITY.** Comprehensive automobile liability coverage for any vehicle used for, or in connection with, the Project (owned, nonowned, hired, leased) having limits of liability which are not less than \$1,000,000.

9.5. **FIRE, HAZARD AND EXTENDED COVERAGE INSURANCE.** For the duration of OPA, Developer shall obtain and maintain fire and hazard insurance to the full insurable value of the Property with endorsements of extended coverage, vandalism, and malicious mischief, and with such other endorsements and in such amounts as the Agency may reasonably require to protect the Project. In the event of damage to the Project and subject to the requirements of Lender, Developer shall use the proceeds of such insurance to reconstruct the Project and the public improvements.

9.6. **INSURANCE PROVISIONS.** Each policy of insurance required under this OPA shall be obtained from a provider licensed to do business in California and having a current Best's Insurance Guide rating, or such other equivalent rating, as may reasonably be approved by Agency's legal counsel. Each policy shall contain the following provisions as applicable:

9.6.1. **ADDITIONAL INSURED.** During the term of construction, Agency shall be additional insured on all insurance policies, except the fire and hazard insurance and the worker's compensation policy, unless otherwise approved by Agency's legal counsel in writing.

9.6.2. **CANCELLATION.** Each policy shall bear an endorsement precluding cancellation or termination of the policy or reduction in coverage unless the Agency has been given written notice of such intended action at least thirty (30) days prior to its effective date.

9.6.3. **FAILURE TO MAINTAIN.** If Developer fails to obtain or maintain, or cause to be obtained and maintained, any insurance required by this OPA, the Agency shall have the right to purchase the insurance on Developer's behalf, and Developer shall promptly reimburse the full cost of such insurance to the Agency. If Developer fails to reimburse the Agency for insurance, the amount of unpaid reimbursement shall bear interest, at the maximum rate permissible under the law, until paid.

9.6.4. **BLANKET COVERAGE.** Developer's obligation to carry insurance as required under this Section 9 may be satisfied by coverage under a "blanket" policy or policies of insurance (as the term is customarily used in the insurance industry); provided, however, that the Agency shall nevertheless be named as an additional insured under such blanket policy or policies to the extent required by this Section, the coverage afforded the Agency will not be reduced or diminished thereby, and all of the other requirements of this Section 9 with respect to such insurance shall otherwise be satisfied by such blanket policy.

10. **DEFAULTS AND REMEDIES.** Except as otherwise provided in the OPA, if either party defaults in its obligations under this OPA, the defaulting party shall immediately commence and diligently proceed to cure the default within thirty (30) days after written notice of default from the other party or, if reasonable, such longer time as is reasonably necessary to remedy such default if such default cannot reasonably be cured within thirty (30) days for reasons beyond the

control of the defaulting party, provided that the defaulting party shall promptly begin and diligently pursue such cure to completion. If the defaulting party does not promptly begin and diligently cure the default within a reasonable time, the other party may institute proceedings to cure the default, including without limitation, proceedings to compel specific performance by the defaulting party. Subject to any extension of time permitted by this OPA, a failure or delay by a party to perform any term or provision of this OPA constitutes a default of this OPA. As a condition precedent to termination of the OPA under this Section, each party shall first tender the return of all property or funds received from or on behalf of the other party. After such return of property and funds and termination of the OPA, neither Agency nor Developer shall have any further rights against or liability to the other under the OPA except as expressly set forth in this OPA to the contrary.

10.1. OTHER RIGHTS AND REMEDIES. Upon the occurrence of any default, and the expiration of any applicable notice and cure period without a cure having occurred within the specified cure period, the non-defaulting party shall have the right to institute such actions as it may deem desirable to remedy a default of this OPA as allowed under this OPA, at law or in equity

10.2. NONLIABILITY OF AGENCY OFFICIALS AND EMPLOYEES. No member, official or employee of Agency shall be personally liable to Developer, or any successor in interest, in the event of any default or breach by Agency or for any amount which may become due to Developer or its successors, or on any obligations under the terms of this OPA.

10.3. ATTORNEY'S FEES AND RELATED COSTS. If an action is commenced between the parties, the prevailing party in that action shall be entitled to recover from the non-prevailing party all reasonable attorney fees and costs, witness fees, arbitrator's fees, and court and arbitration costs. The term "prevailing party" shall include without limitation, the party who receives performance from the other party for an alleged breach of contract or a desired remedy where the performance is substantially equal to the relief sought in an action; the party who receives any award for relief through arbitration; or the party determined to be the prevailing party by a court of law. In any event, the prevailing party shall mean the party receiving a judgment, ruling or award that is more favorable than the last firm offer of settlement made by such party. Any award of damages following judicial remedy or arbitration as a result of the breach of this Agreement or any of its provisions shall include an award of prejudgment interest from the date of the breach at the maximum amount of interest allowed by law.

11. ENCUMBRANCE OF PROPERTY AND LENDER PROTECTIONS. Lender will subordinate this Loan to a new loan (which includes subsequent refinancing of such new loan(s)) obtained by Borrower after the Closing which is to be secured in whole or in part by the Property ("New Loan" and such lender is the "New Lender") for the benefit of either this Project or the Project Area and does not constitute a "cash out" of this Project, in accordance with the terms and conditions of the Subordination Agreement. Lender shall deliver to Borrower and the lender of the Senior Loan the signed and notarized Subordination Agreement within thirty (30) days following Lender's receipt of written request from Borrower.

11.

11.1. NOTICES. If the Agency gives any notice of default to Developer under this OPA, the Agency shall contemporaneously give a copy of such notice to each Lender who has requested

such notice in the following form of request for notice at the address stated in the request for notice. Any such default notice that is not so delivered to Lender shall not be effective or binding with regard to Lender or otherwise affect Lender, but failure to deliver such default notice to Lender shall not affect its validity with respect to Developer. Lender shall use the following form for requesting notice:

[Date]

The undersigned, whose address for notices is stated immediately below its signature, does hereby certify that it is the Lender as such term is defined in that certain Owner Participation Agreement dated _____ between the Redevelopment Agency of the County of Sacramento and MP Holdings LLC ("OPA"). Lender requests, in accordance with Section 11.1 of the OPA, that if any default notice shall be given to Developer under the OPA, a copy of such default notice shall be given to Lender.

[Lender Name and Address for Notice]

11.2. ASSIGNMENTS AND TRANSFERS OF THE LOAN. Agency shall not be bound to recognize any assignment of the Loan or related encumbrance of the Property unless and until Lender has given Agency written notice of the name and address of the assignee (and if more than one person is an assignee, the designated name and address for notices) and such assignee qualifies as a Lender under this OPA. Thereafter, such assignee shall be considered a Lender with respect to the Loan and the related encumbrance on the Property.

11.3. LENDER NOT OBLIGATED TO CONSTRUCT. Notwithstanding any of the provisions of the OPA, Lender shall not be obligated by the provisions of the OPA to construct or complete the Project. Nothing in this Section or any other provision of the OPA shall be construed to permit or authorize Lender to devote the Property to any uses, or to construct any improvements on the Property, other than those uses or improvements provided or permitted in the OPA.

11.4. LENDER'S OPTION TO CURE DEFAULTS. After any default of Developer's obligations under the OPA, each Lender shall have the right, at its option, to cure or remedy such default, within the time for cure allowed to Developer, and to add the cost of such cure to the debt and the lien secured by the Property. The Agency shall accept such performance as if it had been performed by Developer; provided, however, that such Lender shall not be subrogated to the rights of the Agency by undertaking such performance. If the breach or default relates to construction of the Project, however, Lender shall not undertake or continue the construction of the Project (beyond the extent necessary to conserve or protect Project or construction already made) unless Lender assumes, in writing satisfactory to the Agency, Developer's obligations to complete the Project on the Property in the manner provided in the OPA. Any Lender who properly completes the Project as provided in the OPA shall be entitled, upon written request made to the Agency, to Certificate of Completion from the Agency in a manner provided in the OPA. Such certification shall mean that any remedies or rights with respect to the Property that the Agency may have because of Developer's failure to cure any default with respect to the construction of the Project on other parts of the Property, or because of any other default of the OPA by the Developer shall not apply to the part of the Property to which such Certification relates. Nothing in this Section shall be deemed to limit, modify or release any claim or remedy that the Agency may have against the Developer for such default.

11.5. DEFAULT BY DEVELOPER. In the event of a default by Developer, Agency shall not terminate this OPA unless and until the Agency has given notice to Lender of such default, as provided in this Section 11.5 and Lender has failed to cure such default as provided in Section 10. provided, however that if such default cannot practicably be cured by the Lender without taking possession of the Property, then the Schedule of Performances (and, therefore, the Agency's right to terminate this OPA) shall be tolled if and so long as:

11.5.1. Lender has delivered to the Agency, prior to the date on which Agency is entitled to give notice of termination of this OPA, a written instrument satisfactory to Agency in which Lender or its designee unconditionally agrees that it will commence the cure of such default immediately upon Lender or its designee taking possession of the Property and will thereafter diligently pursue such cure to completion; provided, however, that neither the Lender nor its designee shall be obligated to pay damages to the Agency on account of such default, except to the extent of any monies due and unpaid from Developer.

11.5.2. Lender or its designee has rights to obtain possession of the Property (including possession by receiver) through foreclosure, deed in lieu of foreclosure or otherwise, and Lender or its designee promptly commences and diligently proceeds to obtain possession of the Property, and if Lender is prevented by court action or by any statutory stay from prosecuting foreclosure proceedings, that Lender is diligently seeking relief from such action or stay; and

11.5.3. Upon receiving possession of the Property, Lender or its designee promptly commences and diligently proceeds to cure such default.

11.5.4. From and after the cure of such Developer default, Lender or its designee is not required to obtain possession or to continue in possession of the Property. Nothing in this Section shall preclude the Agency from exercising any of its rights or remedies with respect to Developer during any period of such forbearance.

11.6. FORECLOSURE. Foreclosure of any encumbrance securing the Loan, or any sale under such encumbrance, whether by judicial proceedings or by virtue of any power contained in such encumbrance, or any conveyance of the Property from the Owner to the Lender or its designee through, or in lieu of, foreclosure or other appropriate proceedings in the nature of foreclosure, shall not require the consent of the Agency. Upon such foreclosure, sale or conveyance, the Agency shall recognize the resulting purchaser or other transferee as the Developer under this OPA, provided that such purchaser or transferee expressly assumes each and every obligation of the Developer under this OPA (except for the obligation to pay damages except to the extent of any monies due and unpaid from Developer under this OPA) by assumption agreement satisfactory to the Agency. If any Lender or its designee acquires Developer's right, title and interest under this OPA as a result of a judicial or non-judicial foreclosure under any power contained in such encumbrance, or any conveyance of the Property from the Owner to the Lender or its designee through, or in lieu of, foreclosure or other appropriate proceedings in the nature of foreclosure, such Lender or its designee shall have the right to assign or transfer Developer's right, title and interest under this OPA to an assignee; provided, however, that the assignee or transferee shall thereafter be subject to all of the terms and conditions of this OPA.

11.7. **MODIFICATIONS.** No modification or amendment to the OPA which materially and adversely affects the Lender's interest in the Property shall be valid and effective unless the Lender's written consent to such modification or amendment has first been obtained, which consent shall not be unreasonably withheld.

11.8. **FURTHER ASSURANCES TO LENDERS.** Agency and Developer shall in good faith consider making such reasonable modifications to this OPA and executing such further instruments and agreements between them as a Lender may reasonably request, provided such modifications, instruments and agreements do not materially, adversely affect any party's expectations or benefit, rights or obligations under this OPA and provided such modifications, instruments, and agreements serve a material economic purpose.

11.9. **ESTOPPEL CERTIFICATE.** Any party may, at any time, request in writing of any other party to certify in writing that, to the knowledge of the certifying party, (i) this OPA is in full force and effect and a binding obligation of the parties; (ii) this OPA has not been amended or modified either orally or in writing, or, if so amended, identifying the amendments; and (iii) the requesting party is not in default in the performance of its obligations under this OPA, or, if in default, describing the nature and extent of any such defaults. A party receiving such a request shall execute and return such certificate to the requesting party, or give a detailed written response explaining why it will not do so, within ten (10) days following its receipt. The City Manager (as Agency's designee) shall be authorized to execute any such certificate requested by Developer from the Agency.

11.10. **PROHIBITIONS AGAINST ASSIGNMENT AND TRANSFER.** In reliance on the financial capability and experience of Developer, substantial public financing and other public aids have been made available by law and by the federal and local governments to make development of the Property possible. Developer shall not, prior to issuance of a Certificate of Completion, assign Developer's interests or obligations under this OPA or undertake any act or transaction resulting in a significant change in the interests of the principals of Developer or the degree of their control of Developer without the prior written consent of Agency. The transfer or assignment, pursuant to this Section, requires the transferee or assignee to execute and deliver to Agency a valid, binding, written assumption of all obligations of Developer. Such a transfer as permitted in this Section 12 shall not relieve Developer, or any other party bound in any way by the OPA, from any of its obligations under the OPA. With respect to this provision, the Developer and the parties signing the OPA on behalf of the Developer represent that they have the authority of all of Developer's principals to agree to and bind them to this provision.

12. **DOCUMENT INTERPRETATION.** This OPA shall be interpreted in accordance with the following rules.

12.1. **INTEGRATED DOCUMENTS; SEVERABILITY.** This OPA and the documents incorporated in this OPA are to be considered as one document and default of any of them shall be considered a default of all of them. This OPA, including the incorporated documents, integrates all of the terms and conditions related or incidental to its subject matter, and supersedes all negotiations or previous agreements between the parties with respect to its subject matter. If any term or

provision of this OPA shall, to any extent, be held invalid or unenforceable, the remainder of this OPA shall remain in full force and effect and the invalid or unenforceable provision shall be valid and enforceable as to any other person or circumstance.

12.2. CONFLICTING PROVISIONS. If conflicts are discovered in provisions of this OPA and such incorporated documents, this OPA shall control with regard to plan review and construction terms, the Agency Funding Agreement shall control with regard to funding terms and the Regulatory Agreement shall control with regard to affordability restrictions. In any event, the conflicts shall be construed so as to meet the intent of this OPA.

12.3. WAIVERS AND AMENDMENTS. All waivers of the provisions of this OPA must be in writing and signed by Agency or Developer, as applicable, and all amendments to this OPA must be in writing and signed by Agency and Developer. Any delay by Agency in asserting any rights under this Section shall not operate as a waiver of such rights or to deprive Agency of or limit such rights in any way. Any waiver in fact made by Agency with respect to any specific default by Developer under this Section shall not be considered as a waiver of the rights of Agency with respect to any other defaults by Developer under this Section or with respect to the particular default except to the extent specifically waived in writing.

12.4. CAPTIONS, GENDER AND NUMBER. The section headings, captions and arrangement of this OPA are for the convenience of the parties to this OPA. The section headings, captions and arrangement of this instrument do not in any way affect, limit, amplify or modify the terms and provisions of this OPA. The singular form shall include plural, and vice versa, and gender references shall be construed to include all genders.

12.5. DRAFTER. This OPA shall not be construed as if it had been prepared by one of the parties, but rather as if both parties have prepared it. Unless otherwise indicated, all references to sections are to this OPA. All exhibits referred to in this OPA are attached to it and incorporated in it by this reference.

12.6. MERGER. All of the terms, provisions, representations, warranties, and covenants of the parties under this OPA shall survive the Close of Escrow and shall not be merged in the Grant Deed or other documents.

12.7. TIME FOR PERFORMANCE. In determining time for performance, it shall be construed that Agency and Developer shall each do the actions required of them, promptly and when specified in this OPA, and that each action specified in the Schedule of Performances shall be performed by the responsible party on or before the date scheduled for its completion.

12.8. GOVERNING LAW. This OPA shall be governed and construed in accordance with California law.

12.9. NO JOINT VENTURE, PARTNERSHIP, OR OTHER RELATIONSHIP. No Joint Venture, Partnership, or Other Relationship. No Joint Venture, Partnership, or Other Relationship. Nothing contained in this Agreement or in any other document executed in connection with this Agreement shall be construed as creating a joint venture or partnership between Agency and

Developer. Each Party is acting as an independent entity and not as an agent of the other in any respect. No relationship exists as between Agency and Developer other than that of a governmental entity regulating the development of private property, and the owner of such private property.

12.10. **NO THIRD PARTIES BENEFITED.** This OPA is made and entered into for the sole protection and benefit of the parties and their permitted successors and assigns, and no other Person will have any right of action or any rights to the benefits of this agreement or funds at any time on deposit in the Construction Account or the Impound Account, if established.

12.11. **INSPECTION OF BOOKS AND RECORDS.** Agency has the right, at all reasonable times, to inspect the books and records of Developer regarding the Property as reasonably necessary to carry out its purposes under this OPA.

12.12. **OWNERSHIP OF DATA.** If this OPA is terminated, for any reason, prior to the completion of the Project, Developer shall deliver to Agency any and all data acquired for development of the Property. Agency shall have full ownership and rights to use such data.

12.13. **SUCCESSORS.** This OPA shall inure to the benefit of and shall be binding upon the parties to this OPA and their respective heirs, successors, and assigns.

13. **NOTICES.** All notices to be given under this OPA shall be in writing and sent to the following addresses by one or more of the following methods:

13.1. Addresses for notices are as follows:

13.1.1. Agency: Redevelopment Agency of the County of Sacramento, 801 12th Street, Sacramento, California, 95814, Attention: Patrick Hanafee.

Report Type: Action

Overview

Governor Newsome issued a series of executive orders, to include Order No. N-29-20 which suspended compliance with the Brown Act's traditional agenda posting, physical access and quorum requirements for teleconferencing during the COVID-19 pandemic, provided that notice and accessibility requirements were met, to include a procedure for receiving and swiftly resolving requests for reasonable accommodation for individuals with disabilities.

The executive orders suspending full compliance with teleconferencing requirements pursuant to the Brown Act expired on September 30, 2021. Effective October 1, 2021, AB 361 extended the authority of legislative bodies and subordinate bodies such as the Sacramento Countywide Oversight Board (Oversight Board) to continue with the prior teleconference requirements during the COVID-19 pandemic if the Governor has proclaimed a state of emergency and the state and local health officials recommend measures to promote social (physical) distancing.

Discussion

AB 361 provides the option to continue meeting virtually by telephone and video conference. Virtual meetings are permitted presently pursuant to the Governor's proclaimed state of emergency and the state and local officials' recommended measures to promote social distancing to reduce the spread of COVID-19.

Although, AB 361 went into effect October 1, 2021, it is acceptable to agendize and adopt the attached resolution at the first meeting of a board after October 1, 2021, hence inclusion of this item on the November 8, 2021 agenda.

In order for a legislative body to continue teleconferenced meetings with reduced requirements, it must make the following findings during a state of emergency that either 1) the state of emergency continues to directly impact the ability of the members to meet safely in person; or 2) state or local officials continue to impose or recommend measures to promote social distancing.

In addition, AB 361 requires that requisite findings shall be re-affirmed, not later than 30 days after adoption of the first resolution for teleconferencing pursuant to Government Code §54953 (e). Since many subordinate legislative bodies do not meet monthly, the Sacramento County Board of Supervisors adopted a blanket resolution with the requisite findings to continue teleconferencing on October 19, 2021 (Item 48) and intend to renew the resolution every 30 days until the state of emergency or other legislative change prohibits continued use of the resolution. A copy of the final resolution will be provided to Oversight Board members as soon as it is available. Should the Oversight Board opt to continue teleconferenced meetings, it may rely on the Sacramento County Board of Supervisors resolution.

The Oversight Board has the option to continue teleconference meetings with reduced requirements based on the ongoing state of emergency, the teleconferencing recommendation issued by the Sacramento County Public Health Officer, Dr. Olivia Kasirye, MD, MS on September 28, 2021 and the Sacramento County Board of Supervisors' resolution of October 19, 2021, until further notice. However, the Oversight Board may also resume in-person meetings with social distancing recommendations.

Recommendation

If the Oversight Board intends to continue the current teleconference process, adopt the Sacramento County Board of Supervisors' resolution of October 19, 2021, authorizing continued remote teleconference meetings pursuant to the Ralph M. Brown Act and subsequent resolution extending such time without compliance with Government Code Section 54953(b)(3).

RECOMMENDED ACTION

Approve the attached resolution authorizing continued remote teleconference meetings for the Sacramento County Board of Supervisors and all subordinate legislative bodies, boards commission and council pursuant to the Ralph M. Brown Act

BACKGROUND

Prior to the COVID-19 pandemic, the Ralph M. Brown Act ("Brown Act") allowed teleconference options for meetings of local legislative bodies, but the requirements were very restrictive. Executive Orders issued by Governor Newsom in response to the COVID-19 pandemic suspended the restrictive procedures for teleconferencing and allowed local legislative bodies to hold meetings entirely by teleconference. Those executive orders expired on September 30, 2021. However, Assembly Bill 361 allows teleconference meetings to continue after October 1, 2021 as long as certain conditions are met and public accessibility is maintained. While the Board of Supervisors regularly meets in person, many of its over 50 subordinate boards, commissions and council meet remotely.

In order to continue remote teleconference meetings, AB 361 requires the state of emergency declared by the Governor to be in effect and that one of the following conditions is also met:

- 1.) State or local officials continue to impose or recommend social distancing protocols;
- 2.) The local legislative body holds a meeting for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risk to the health or safety of attendees; or
- 3.) The local legislative body holds a meeting and has previously determined by majority vote that as a result of the emergency,

meeting in person would present imminent risks to the health or safety of attendees.

The proposed resolution contains the findings required by AB 361 to allow continued remote teleconference meetings. AB 361 also requires the legislative body to reconsider the need for remote meetings while the state of emergency remains in effect at least every thirty days after its initial finding. Adoption of the resolution will allow the Board of Supervisors to meet remotely, if necessary, while also allowing it subordinate boards, commission and councils to continue to meet via remotely teleconference.

Respectfully submitted,

LISA A. TRAVIS, County Counsel
Office of the County Counsel

COVID-19 disease prevention measures, endorsed by the Centers for Disease Control and Prevention, include vaccinations, face coverings, increased indoor ventilation, handwashing, and physical distancing (particularly indoors).

Since March 2020, local legislative bodies, including commissions, committees, boards, and councils, have successfully held public meetings with teleconferencing as authorized by Executive Orders issued by the Governor of California. Using technology to allow for virtual participation in public meetings is a social distancing measure that may help control transmission of the SARS-CoV-2 virus. Public meetings bring together many individuals (both vaccinated and potentially unvaccinated), from multiple households, in a single indoor space for an extended time. For those at increased risk for infection, or subject to an isolation or quarantine order, teleconferencing allows for full participation in public meetings, while protecting themselves and others from COVID-19.

Utilizing teleconferencing options for public meetings is an effective and recommended social distancing measure to facilitate participation in public affairs and encourage participants to protect themselves and others from COVID-19. This recommendation is further intended to satisfy the requirement of the Brown Act (specifically Government Code Section 54953(e)(1)(A)), which allows local legislative bodies in the County of Sacramento to use certain available teleconferencing options set forth in the Brown Act.
