Dear Clerk,

I am writing to request notice of all public meetings, hearings and workshops concerning PLNP2020-00002, an application by Circle D / SAVD to obtain a PCN for the sale of beer and wine (ABC Type 20) at a gas station convenience store located in the West Auburn Blvd SPA within the Arden Arcade community (the "Project"). Information about the Project is available here - Project <https://planningdocuments.saccounty.net/ViewProjectDetails.aspx?ControlNum=PLNP2020-00002>.

The Arden Arcade Community Planning Advisory Commission ("CPAC") voted to deny the application on or about May 28, 2020. It is my understanding that the Board of Supervisors acts as the final decision-maker and will consider the application at as-yet-to-be determined later hearing. If possible, I request that notice be sent to me both electronically and by mail. My contact information is below.

Please let me know if you have any questions or need anything additional from me, such as a self-addressed stamped envelope.
