Control No.: PLNP2020-00314

Project Name: WATT AND BLACKFOOT PARCEL MAP

Assessor Parcel No.: 203-0360-002

Please take in consideration the original plan which included a nice green space that is in close proximity to a condominium on south and houses on the east. No work has been done to provide that green space. The fact that they want to subdivide tells Me that they have no intention to fulfill the original plan that they submitted to gain the rezoning permit.

Thank You Debra Salady ... local home owner
